8	From the Dy Comr, Kadur Dist No 111 dy 2-9-1913 States that the delay as regards the reconstitution of the Tarikere Munl Council was chiefly due to the lists of Voters & Candidates first being incorrectly prepared in the Vice Presidents Office and thus necessitated some unavoidable correspondence between the Sub Div Officer & the Vice-President, that a Register is maintained in the Sub Div Office showing the names of Councillors, the date of the constitution of the Municipal Council, etc, that a similar register has also been opened in the Dist Office in respect of the Municipality of which the Dy Comr is the President, & that these registers serve to indicate on what date the tenure of the existing members will terminate.

	as the provisions of Sec 8 of the Jud Electoral Rules had evidently been lost sight of, that the Jud Regn & the rules thereunder are new enactments, that they have not been sufficiently long for all the technicalities of procedure thereunder being thoroughly understood on all sides as to have become a matter of ordinary routine business, that under such circumstances no one may be held responsible for omissions and pitfalls — inevitable at the earlier stages of the working of quite a new Regulation & that therefore the matter deserves indulgent view by Govt until all the doubts & difficulties of practical working are ironed over by the officers and officials concerned after having gained sufficient experience in the matter
10	In the Dy Comr, Mysore Dis. no 2082/913 states that owing to changes of hands in the L.B Establishment & also owing to the grant of a register recording the particulars of the Constitution of each Municipal Council the matter was lost sight of in the Dy's office, that a register in the matter has now been opened with a view of taking

Sir,

In reply to your letter No. 1323-7/ Rd 100-13 dated 30th July 1913 in re the circumstances under which the reconstitution of the Municipal Council of Anekal, Devanahalli and Doddaballapur were neglected, I have the honor to state that the Assistant Commissioner, Doddaballapur Sub Division who is the President of these Municipal Councils was requested to furnish the explanation of the officers and officials concerned, had forwarded the report of the Vice-Presidents of the Municipal Councils of Doddaballapur and Devanahalli, which are not satisfactory.

The

The President of the Anchal Municipal council in his report no 326 dated 29th August 1913 states that the report of the Anchal Amaldar has not yet been received, and it would be sent on its receipt

It is seen that steps which ought to have been taken by the officers of the Municipalities under rule 7 (iv) of the election rules do not seem to have been taken in time This omission seems to be evidently due to oversight

In this office only a register for recording the attendance of Municipal councillors at Municipal meetings is maintained to enable this office to prepare a consolidated statement of monthly meetings for submission to Government, and no other register is maintained to watch the reconstitution of Municipalities.

It may be noted that the municipalities in question were first constituted in February 1911 and

and the members that were then appointed continued for three years their term expired by February 1913 and it being the first time in which the operation of reconstitution had to be taken up, the municipal councils do not seem to have paid timely attention to it

If a register is maintained in the secretariat and a copy of it is kept in the district office also, there will be double check and such omissions are not likely to occur in future.

S I R,

With reference to your letter No 1809/Ml 100-13-5 dated 11th August 1913 and also your letter No 1323-11/Ml 100-13 dated 30th July last, re the reconstitution of the Harihar and Chitaldrug Municipal Councils, I have the honor to state that the delay in taking timely steps in the matter of the councils being reconstituted has to be attributed to the Vice Presidents and the officials working in the respective Municipalities.

2. The Deputy Amildar and the Vice President of the Harihar Municipality reports that the Kasaba Shanbhogue and the Sanitary Inspector who were entrusted with the preparation of voters' and candidates' lists did not complete them till about the latter part of April 1913 in spite of repeated reminders issued to them, and that as a consequence, the election had to be held during July 1913 after observing the preliminary procedure required by the Election Rules of 1909 The Vice President does not seem to have taken stringent measures in getting the lists prepared in time and taking other steps for reconstituting the Council though several reminders have been issued to him both from this as well as the President's offices.

3. With regard to the Chitaldrug Municipality, it may be stated that Clause C of Rule 8 of the Election Rules which requires the publication of the Voters' and Candidates' lists two months

(15

before the first day of June, was lost sight of and a fresh date had to be notified with the approval of Government (Vide Notification No. 2182/M1 28-13-4 dated 21st August 1913) The reason as to why such a state of things existed cannot now be explained as there have been frequent changes in the personnel of Vice Presidents of the Municipality

S

4. As regards the check that is being exercised by this office it may be stated that there is a register maintained in which the names of members of each municipality, the dates of their appointment etc are noted When there is a sufficient time before the expiry of the term of the respective councils and members of non-regulation municipalities, reminders are issued to the municipalities concerned to take needful action But in the present instances, it is regretted that the issue of several reminders to the municipalities concerned has proved futile

Copies of the above Rules sent No 3877 dt 9/9/1913

Sir,

With reference to your letter No 1323-7/Ml 100-13 dated 30-7-1913, calling for a detailed report as regards the delay in taking action for the reconstitution of the Tarikere Municipal Council, I have the honor to submit herewith a copy of letter No 59 dated 22-8-1913 received from the Sub Divisional Assistant Commissioner and President of the Tarikere Municipality reporting the circumstances which contributed to the delay now observed It is seen therefrom that the list of voters prepared by the Vice President of the Tarikere Municipality in November 1912, not having been correctly and exhaustively drawn up, some correspondence between him and the Sub Divisional Assistant Commissioner was unavoidable .

As regards the manner in which cases relating to the reconstitution of Municipal Councils in his Sub Division are examined, the Sub Divisional Assistant Commissioner reports that a register has been opened in his

his office, to show the names of Members on the Council, the attend-
-ance of members at each meeting and the number and date of the Go-
-vernment Order sanctioning the constitution of the council, while a similar register has also been opened in this office in res-
-pect of the Municipalities of which the Deputy Commissioner is the President. This register will be referred to each time when a copy of the Council's or Board's resolution is received, so that the attend-
-ance of Members at the meeting may be noted in the register, and it serves to indicate on what date the tenure of the existing Members will terminate

I beg to add further that a requisition was made to the President of the Tarikere Municipality in this office No 203 dated 8-2-1913 to expedite the submission of proposals for the reconstitution of the Tarikere Municipal Council/s/ but for reasons explained in the enclos-
-ed Sub Divisional Assistant Commissioner's letter, proposals for the reconstitution were not received here till about the close of June 1

Sir,

With reference to your yadi No. 67 dated 4th August 1913 -warding copy of Government Secretary's letter No 1323-7/Ml 100-13 dated 30th July 1913 enquiring why the Municipal Council of Tarikere was not reconstituted in time etc, I have the honor to state that -- Tarikere was constituted a Regulation Municipality and the Council--lors thereof were elected or appointed by Government in their order No. 3874/Ml 59-09-6 dated 3rd November 1909 This order was communi-cated in due course to the Vice President of Tarikere and the newly constituted Council first met on 29-12-1909 and began to transact business.

2 Before the expiry of 3 years from that date, the Vice President was asked in this office No. 617 dated 23rd November 1912, to take necessary steps to reconstitute the Municipal Council as their term was about to expire. The Vice President got a list of voters prepared and held the election on 23-12-1912 and reported the result in his No 97 dated 25th December 1912 The list of voters and other papers

were called for It was found that the list was incomplete, as it did not contain the names of all persons qualified to vote The attention of the Vice President was drawn to the Rules on the subject and he was asked in this office No. 818 dated 22nd January 1913 to get a complete list prepared He accordingly sub-mitted a list with his No 115 dated 25th February 1913 As this list did not contain the qualification of voters entitled to vote as per Rule 4, it was returned to the Vice President to be prepared in the form sent to him and he was requested to give his personal attention to the matter, as the term of Municipal Councillors had expired (order No 955 dated 2nd March 1913). The revised lists of voters and candidates were received with the Vice President's No 122 dated 17th March 1913 They were duly checked and returned to the Amildar for publication with this office No. 1120 dated 2nd April 1913, and the date of election was fixed to the 5th June to allow of 2 months time for publication The election was accordingly held on the above date and the result was reported in this office No 50, dated 21st June 1913

In these circumstances, I beg to state that the matter was not lost sight of, and there was no dereliction of duty by this office and that necessary steps were taken in time to reconstitute the Council There was however some delay, owing to the list of voters not having been prepared correctly by the Vice President

3 Cases relating to the reconstitution of Municipal Councils are examined in this office on a register maintained to show the attendance etc of Members wherein the dates of Government order appointing or electing them are noted

4 I therefore erquest that the election held on the 5th of June 1913 , which is valid in all respects, may be recommended to Govern ment for sanction.

SIR,

In reply to your letter No.3033/Ml.9213-11 dated 29th August 1913, calling for a report on certain points regarding the want of timely action to re-constitute the Kolar Municipal Coun-cil, I have the honor to state that by a Notification dated 26th August 1908, Kolar was constituted into a Municipality under Regulation VII of 1906, and subsequent action towards the election and nomination of the members was taken by the then Deputy Commis-sioner himself in pursuance of the Rules of 25th January 1909. The names of the members constituting the Council were notified in Government Proceedings No 8634/Ml.56-09-8 dated 30th March 1910.

2. The term of the members so appointed expired in March 1913. When then, the question of re-constituting the Council was taken up, and the records were looked into, it was found, that after the first elections were over and reported to the Government, no further action had been taken towards the annual revision and publication of the list of voters and candidates agreeably to the

(22

provisions of Rule 8 et seq of the Election Rules. Evidently, the matter had been lost sight of after the pressure of the first elections was got over, and in the changes of Officers and Officials, and pressure of other multifarious duties, no one had any occasion to think of election matters until the time came to re-constitute the Council.

3. When, on the eve of the expiry of the term of the office of the Councillors, it was found that the original list of voters and candidates had not been revised annually, I at once consulted the Municipal Councillors assembled in a Meeting held on the 30th April 1913, and at their suggestion the Vice President was asked to get up entirely fresh lists of voters and candidates, the Councillors at the same time expressing it as their opinion that they might continue in office until further elections and nominations were made in due course and notified by Government.

4. The preparationm of new lists of voters and candidates for the three Divisions of the Town was at once taken on hand in April last, and completed by the end of June, and in a Meeting held on 5th July 1913, it was resolved that steps be taken for the election of Members before the end of September The lists were then published in the first week of July, and objections invited No objections were received, and on the 26th July again, I fixed the date of the new Election to 13th September in consultation with the Councillors

(23

5. The necessary action to carry out the elections is now being taken as already reported in my letter No. 293 dated 28th August 1913

6. In this connection, I may submit, for the consideration of Government, that the Municipal Regulation and the Rules thereunder are new enactments, they have not been in operation sufficiently long for all the technicalities of procedure thereunder being thoroughly understood on all sides as to have become a matter of ordinary routine business, and under such circumstances no one may be held responsible for omissions and pitfalls - inevitable at the earlier stages of the working of quite a new Regulation- and therefore deserving of indulgent view by the Government, at least for some time to come, until all the doubts and difficulties of practical working are tided over by the Officers and Officials concerned after having gained sufficient experience in the matter

I have the honor to be,

To

K.R.Srinivasiengar, Esquire, M.A.,
Secretary to the Government of Mysore,
General and Revenue Departments.

Sir,

With reference to your letter No.1323-7 Ml 100-13-0 dated 30-7-13 and subsequent telegram regarding the reconstitution of the Municipal Councils of Bannur, T.Narsipur, and Hal-vally, I have the honor to state that it is learnt that owing to change of hands in the Local Fund Establishment subsequent to the constitution of the Municipal Councils and as there was no register recording the particulars of the constitution of each Municipal Council, the present Local Fund establishment had no means of examining the cases relating to the reconstitution of time expired Municipal Councils. It was expected that the Vice Presidents concerned would submit timely proposals for the reconstitution of their respective Municipal Councils as was done by the Amildarsof Seringa patam, Hunsur, Nanjangud and Chamarajnager Taluks

2. It may be added here that a register has now been opened embodying the details of the constitution of Municipal Councils to serve as a guide in the matter of taking tiemely steps for their reconsittution in future

It is explained by the Assistant Commissioner, Nanjangud Division that as no report was received from the Amildar of T.Narsipur about the reconstitution of the Muncipal

Municipal Councils of T.Narsipur and Bannur, an order was issued by him on 29-3-13 to the Amildar for taking necessary steps in the matter, that no reply was received for about 2 months, that the failure on the part of the Amildar to give his personal ----- attention in the matter both before and after the issue of the --- order from his office is to be regretted, that the officials ---- concerned have been warned for this neglect of duty and necessary steps would be taken in the matter Correspondence ending with his Yadi No.54/1176 dated 2-9-13 is herewith submitted I t will be seen from the Local Fund clerk's explanation that some more was made in the matter only on receipt of Sub Division Officer's order The Amildar has not yet submitted his explanation

It having been brought to notice that the term of the Municipal Councillors of Malavally would expire in July last, the Amildar was called upon to report what steps he had taken for the reconstitution of the Municipal Council, to take immediate action under rules 7,8,9 & 11 of the Election Rules and to fix a date for election in July last The Amildar without explaining the steps he had taken prior to the receipt of this office order, merely submitted lists of voters and candidates eligible for membership The lists were quite incorrect in—as much as the names of all persons paying a mohartfa tax of above one ruppe and a revenue Kandayam of above Rs 2/- had been included in both the lists instead of ---- adopting the minimum qualifications prescribed in Government --- Notification No 9284-M1 322-08-4 dated 24-3-1909, and further instructions were about to be issued to him when the letter under reply was received from Government The Amildar was then called upon to submit his explanation in the matter, and his enclosed endorsed report No 131/603 dated 10-8-13 shews that no definite --- timely action had been taken by him before the receipt of this office order cited therin

Sir,

With reference to your letter No. 1323-7/Rl 100-13 dated 30th July 1913 calling for a report as to why timely action was not taken towards the reconstitution of Municipal Councils of Hassan and Hole-Narsipur in this District, I have the honour to state that as regards the reconstitution of Hassan Town -- Municipal Council, it may be stated that the Vice President of Hassan Town Municipality was instructed in this Office vadi No 1119 dated 5th November 1912 i e 3½ months before the expiry of the period to adopt preliminary procedure such as publication of lists of voters and candidates for the re--constitution of Hassan Town Municipality The Vice President having replied to the above reference after a delay of five months, his explanation in the matter was called for, and the Vice President (Mr M Sreenivasa Murthy) in his docket No 266 dated 4th June 1913 (copy enclosed) explained that the delay in the preparation of the lists was mainly due to the fact that (1) there was no office copy maintained in his Office (2) that the copy in the Office of the President was

only

only found after a long search (3) that the comparing of the khridi and Khata took up a greater portion of the time and lastly that the change of persons in the khata had to be ascertained and entered in the lists.

2 As regards the omision to take timely action towards the reconstitution of Hole-Narsipur Municipal Council, Mr R Thirnarrainaengar the Vice President of that Municipality in his explanation submitted to the Assistant Commissioner Pre-sident, stated that apart from the fact that the previous records in connection with the first constitution of the Municipal Council having been mislaid with other than the Clerk concerned, orders had been issued to the Shanbogue on 26th June 1913 to prepare lists of voters and Candidates, but unfortunately the Shanbogue fell ill and without him, it was not possible to prepare the lists He further adds that in consequence of the Shanbogue's illness, the collect-tion of Mohatarfa in the Hole-Narsipur Municipality had also suffered, and that the omission to take timely action was purely accidental

3. Mr S N Appanna Jengar Assistant Commissioner and Pre-sident of the Hole-Narsipur Municipality while submitting the above explanation, explains in his letter No 28/Mis dated 8th September 1913, that as the Hole-Narsipur Munici-pality was constituted for the first time under the -- Municipal Regulation, the matter was lost sight of

4 In these circumstances it is submitted that there was omission on the part of the Vice Presidents of the -- Hassan and Hole-Narsipur Municipalities to complete and submit the lists of Voters and Candidates in time to enable further action being taken in accordance with the provisions contained in the Municipal Election Rules

I have the honour to be,

Copy of docket No. 265 dated 4th/5th June 1913 from the Vice President, Hassan Town Municipality to the President Hassan Town Municipality.

With reference to his Office No 1145/Mis dated 22nd May 1913 calling for the reasons for nearly 5 months' delay in giving effect to his yadi No 1119 dated 8th November 12 &c has the honour to state as follows -

A reference from this Office was made on 20th September 1912, to the office of the President, soliciting orders for the preparation of the list of Voters and Candidates, as three years had expired since the last election had taken place, and a reply was received in this Office on 17th November 1912 permitting to undertake the preliminary steps

This paper was referred to the Municipal Mutsaddi and Municipal Overseer who deal with the collection

The delay in the preparation of lists was mainly due to the facts that (1) there was no office copy maintained in the office, (2) that the copy in the office of the President was only found after a long search, (3) that the comparing of the khridi and khate took up a greater portion of time, and lastly that the change of persons in the khate had to be ascertained and entered in the lists

The Officials concerned have been warned in the matter and arrangements have been made to maintain always office copies of such records in this Office so that there may not occur such delays in future

This fact was personally explained by the undersigned at the Municipal Meeting held on 30th April 1913

2. Yet this plain provision of the Municipal Regulation was lost sight of in the Districts owing to the causes now explained by the Deputy Commissioners viz (1) want of proper understanding of the Municipal Election Rules, resulting in the non-revision of the lists of Voters and of Candidates eligible to vote, (2) the absence of a register of the
